**Subject:** Meeting with EPA at the end of July  
**Date:** Monday, June 22, 2015 3:46:00 PM

---

Doug,

Hope all is going well and you haven't floated away with all of the rain.

I understand that Bob Kaplan and Joe Kellmeyer spoke today about having a follow-up meeting. I am writing to get some dates for which your group would be available during the last two weeks of July for this meeting. Once you send me some dates and times, I will set up the meeting.
